

Board of Supervisors Meeting
February, 26 2019

Current Work:

Salted roads 8 times this month, plowed 4 times. A lot of time is spent the day after cleaning up and tending cold areas

Fixed wash outs and ditches on Si Rhode Lane where it's stone.

Working on repairing and servicing trucks and equipment.

Mixing salt and anti-skid just about every day to stay ahead of the storms.

We have 900 tons of salt ordered. We only have received 250 ton as they bring us just enough to stay ahead of the storms. So far we are ok. Total salt ordered this season is at 1300 tons @ 57.00/ton. And the salt bay is just about empty, Mixed bay is full.

Washed all the equipment completely on time and rinsed off after every storm.

Working on the MS4 mapping and inspections.
