DRINKING WATER PROBLEM CORRECTED

**ESTE INFORME CONTIENE INFORMACION MUY IMPORTANTE SOBRE SU
AGUA DE BEBER. TRADUZCALO O HABLE CON ALGUIEN QUE LO
ENTIENDA BIEN.**

Dear Residents:

As a customer of Northwood Manor, you were notified on 03/10/2019 of a problem with our drinking water and were advised to boil your water until further notice.

We are pleased to report that the problem was promptly corrected and test results have proven that it is no longer necessary to boil your water. Please remember when we issue a boil advisory it is not because there is a problem with our water. It's because we want to be sure the water is safe after water shut down and ask you to take some precautions until we receive our test results back. We apologize for any inconvenience and thank you for your patience during the testing process.

If you need additional information please call the York Community Management office at (717) 755-3581.

Please Share this information with all of the people who drink this water, especially those who may have not received this notice directly.

This notice is being sent to you by the York Community Management Staff.
