Revised Draft Budget

Comptroller Jane Deamer reviewed the revisions to the draft budget with the Supervisors. The contributions to the libraries and senior centers need to be reviewed. Supervisor Wintermyer proposed changing the amount the Township contributes to the Fire Departments. Increasing the amount to \$36,000.00 and splitting it three ways between the departments. Supervisor Kirkpatrick suggested a Fire Tax for the Township. The money would go directly to the Fire Departments. The tax would be around \$20.00 per \$100,000 on the assessment of a house. Tony Miller reviewed the list of what the money can be used for within the Fire Departments.

Gary Hatterer, Newberry Fire Chief: Gary wanted to make a comment about the split of the contributions and the money for Newberry would be technically decreased.
