

Re: ECMS #102404
SR-0392, Section 005
Yocumtown Road Bridge-C
York County, Pa

On September 7th, 2021 construction will commence on the above-mentioned project for the replacement of the SR-392, Yocumtown Road, Bridge-C.

During construction we will be closing SR-392 Yocumtown Rd. Detouring traffic around the construction project. Traffic going north on SR-392 will be turning west onto T-686 Old Trail Rd. Continue on T-878 Old York Rd. to north on SR-262 Valley Rd. North back onto SR-392 Yocumtown Rd. The traffic going south on SR-392 will be turning south onto SR-262 Valley Rd. To turn east onto T-878 Old York Rd. Continuing east on T686 Old Trail Rd. To turn south back onto SR-392 Yocumtown Rd. Both lanes will be reopened to regular traffic on or before Oct. 12th, 2021. Completion of the project is slated on or before Dec. 20th, 2021. Should we go over the completion date, we will notify you immediately.
