

Q: Why did our trash bill increase?

A: Our contract with Republic Services was set to expire at the end of 2019 after our 3yr. contract. Newberry Township Board of Supervisors put the trash service out for competitive bid and by law, they must take the low bid. Penn Waste was the lower bidder for regular trash service. Increases for tipping fees, labor, and recycling disposal all add to the cost of business and is out of the control of the trash hauler.
